

Duplex Scanner

Scanshell® 3000DN is a high-speed duplex document scanner which offers simultaneous high image quality capture of both sides of the scanned document.

The **Scanshell® 3000DN** is equipped with high speed USB 2.0 standard interface and requires no external power supply.

With its light weight, small footprint and simple connection, the **Scanshell® 3000DN** is a unique and convenient solution for simultaneous double side scanning for both desktop and mobile use.

Scanner Specification

Interface:	USB 2.0 (Universal Serial Bus) High speed
